Show and Classification

This show and sale is co-sponsored by the Missouri State Board of Agriculture, Rock Port Community Club, and the Northwest Missouri Shorthorn Breeders Association, Inc.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through the appropriation by the Missouri Legislature to encourage the production, distribution, and the use of better breeding animals of Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defects, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type, and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO S. SINGLETON, Superintendent of Show
Judge—Irwin Retzlaff, Walton, Nebraska.
